Spring is Here! Time to Refresh Your Boat Canvas for the Season

Canvas Inspection Checklist

- ☐ Inspect all boat canvas for tears, fraying, or mildew.
- ☐ Check zippers for smooth function and clean tracks.
- ☐ Look over clear vinyl windows for yellowing or cracks.
- ☐ Inspect all snaps and fasteners for corrosion or damage.
- ☐ Clean canvas using appropriate marine-safe products.
- ☐ Allow canvas to fully dry before storage or use.
- ☐ Test fit covers to ensure proper tension and coverage.
- ☐ Photograph any damage for repair assessment.
- ☐ Visit [Our Contact Page](#) for advice or request a quote.
- ☐ [Book your service](#) before May 1st to receive **10% off!**
